

Mobile Medical Examinations

RISK BASED OCCUPATIONAL HEALTH MEDICAL EXAMINATIONS

Comply with legislation by assessing the capabilities of employees and/or applicants to perform the essential tasks and functions of their job safely, with minimal risk to themselves, you as employer or to other employees in your business.

Why EOH Mobile Services

- ▲ Convenience
- ▲ Keeps employees on-site
- ▲ Reduction in time away from workplace
- ▲ Legal compliance
- ▲ Quick functional
- ▲ National coverage
- ▲ Large groups accommodated
- ▲ Cross Industry expertise

A fit for work Workforce

EOH Health's Workplace Health provides customised turnkey Enterprise Health and Wellness Programmes (EHWP) to medium and large employer groups across all industries, thereby ensuring legislative compliance and a healthy and productive workforce.

Our team of health professionals, within the Workplace Health unit, has a rich history in the industry and a high knowledge index of the specific areas of EHWP. Our understanding of the value of integrating these areas for organisations is what sets the EOH Health Workplace Health offering apart from that of its competitors.

Physical & Medical Examination may entail the following:

- ▲ Full medical history
- ▲ Full physical examination
- ▲ Height
- ▲ Weight
- ▲ Urine testing
- ▲ Blood pressure testing
- ▲ Audiometry (Hearing testing)
- ▲ Spirometry (Lung function testing)
- ▲ Vision Screening Testing
- ▲ Chest X Ray
- ▲ Substance Abuse (Drug) Screening
- ▲ Biological Monitoring
- ▲ Fitness Certification

Occupational Health Centres

Occupational health and safety risks, absenteeism, legal compliance, chronic disease, medical schemes and insurance costs... These are just some of the factors that employers need to take into account to ensure an optimally fit and productive workforce.

EOH Health's Workplace Health provides turnkey Enterprise Health and Wellness programmes (EHWP) to medium and large employer groups across all industries, thereby ensuring legislative compliance and a healthy and productive workforce. This in turn results in health risk mitigation. Our health solutions are based on a thorough consultative process to build the solution that best fits your business.

Our walk-in health centres provide, amongst others the following services:

- ▲ Pre-employment Medicals
 - ▲ Periodic Medicals
 - ▲ Exit Medicals
 - ▲ Industry Specific Medicals
 - ▲ Personal health assessment
 - ▲ Vitality assessment
 - ▲ Executive Medicals
 - ▲ Incapacity assessment
 - ▲ Occupational Medicine Specialist Evaluations
 - ▲ Height and Weight measurements and Body Mass Index (BMI)
 - ▲ Urine testing including drug and alcohol abuse
 - ▲ Chest X-rays (associate Radiographer)
 - ▲ Vaccinations
- Special investigations:**
- ▲ Audiometry testing
 - ▲ Spirometry testing
 - ▲ Eye testing
 - ▲ Blood Pressure check
 - ▲ Blood Glucose testing

Mitigate your risk
